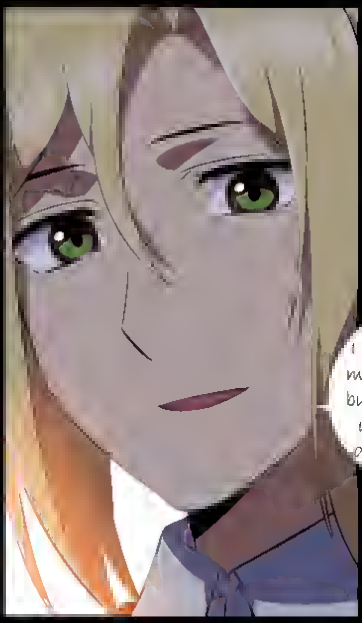
Hah,
Haah,
Hah...

Hah...
Damn!
Don't worry. I won't kill you

I've been waiting for you for so much time... It would be such a shame to lose you now.
Instead of begging you for my life I prefer to suicide
What a joke...
You, the angels, can't do that

Kill me,
Now...
*Cough*!
I think Ishtar came to take Sophia away.



I knew that we would meet again some day, but I would have never imagined that that day would be today.

Don't forget to take his wallet. That was your goal, wasn't it?

Right. T-the wallet...

Don't worry about the police. Don't you remember what I've promised you?

If you kill humans for me, I'll grant you a complete protection

Keep the valuables. I don't need them.
Don't worry about insignificant things. Just do what you feel like doing.

C-can't you kill them yourself?
I don't think that.. It was necessary. To kill this guy..

I think that just simply threatening him was enough...
Hmm...

If I kill humans, the angels will notice
I want to move silently until I get enough power

Angels...?
Haha. Are you on drugs?
.....

There's enough...
Good...

Aren't you interested in a large-scale murder? Like a genocide or serial killing?
What?

I'm a demon

I gain power with the death of the humans
If the number of corpses increases it's beneficent for me.

...
I thought that you were crazy, but I was wrong .. You're mad ..

Good.
I don't care about anything anymore.

I'm gonna take revenge. On everyone who made fun of me.
A-after killing them, I...

I will...
I already have a person in my favor
But it's not enough I need more slaves

Wait for me, Mr. Lucifer! I, Ishtar, will do anything to please you!

I will hurry in recovering my power and I will bring you Baal Zebub's head, and...!!

I appreciate it, Ishtus...
You're the only one I trust...
